- Letter or article 2
- add discussion, results of Q motions
- add for scan no.3 figure as Fig 2 or 3
- Fig 1 to MOVIE → ~~all~~ supplementa material
- each scan — another jet?
- each jet ~ pre-flare loops

- aim: ① show extreme jets
  ② derived physical properties of them
  ③ flare → jet spatial + temporal relation

- ~~to~~ red — blue ≈ evaporation + bombardment
